IAL recognition

Pearson Education Ltd is one of the UK's largest awarding organisations, offering academic and vocational qualifications and testing to schools, colleges, employers, and other places of learning, both in the UK and internationally. Qualifications offered include GCSE, International GCSE, AS and A Level, International Advanced Level, NVQ and our BTEC suite of vocational qualifications. Pearson Education Ltd administers Edexcel A Level and Edexcel International Advanced Level examinations.

We are in the process of gaining university recognition for our new suite of International Advanced Level qualifications. These qualifications have been written to the same high standard as our Edexcel GCE A Levels, which are already accepted by universities worldwide. Our partner universities are coming back to us daily confirming they accept our new suite of qualifications. Please bookmark this page and keep checking regularly. We will update this information sheet on a weekly basis to include new universities.
